## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-3 and 5-12 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest the applicant's invention as claimed in detail wherein the insert part has a closing cylinder, and wherein the closing cylinder engages with a follower of the closing system through a rotatable paddle; wherein the connection between the blocking element and the connecting element is through at least one of snap and detent elements; wherein the connection between the blocking element and the connecting element is through a separate connecting part which can be actuated through an interior skin of the wing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
